U.S. EPA's Environmental Workforce Development and Job Training (EWDJT) program transforms lives by providing funding and technical assistance to organizations training residents of brownfields-impacted communities. With over fifty training programs located across the nation, qualified workers with EPA and OSHA certifications in health, safety, and environmental technology are ready and willing to work for you.

**QUALIFIED GRADUATES OFTEN HAVE TRAINING / CERTIFICATIONS IN:**
- HAZWOPER 40-Hr
- Site Assessment
- Asbestos Abatement
- Water/Wastewater Treatment
- Solid Waste Management/Cleanup
- Environmental Health & Safety
- Emergency Response
- Lead Abatement (RRP)
- Mold Abatement
- Superfund Site Cleanup
- Integrated Pest Management
- OSHA 10- & 30-Hr Certification

Specific training and certifications depend on local program offerings, and are sponsored in part by cooperative agreements with the U.S. Environmental Protection Agency.
