ABOUT US

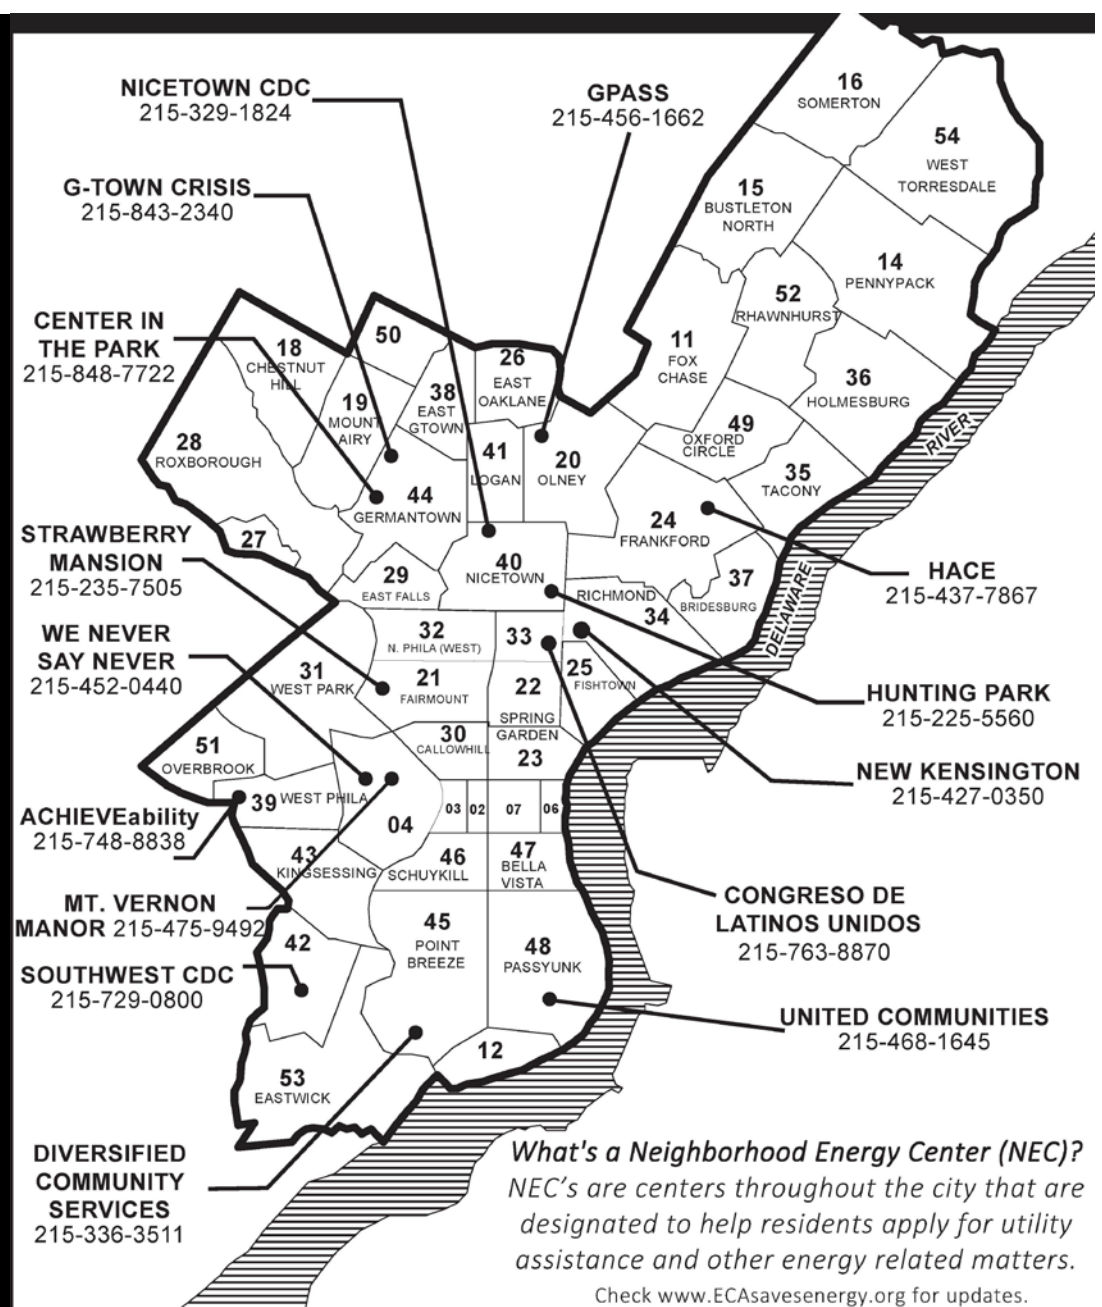

ECA's mission is to help people conserve energy and to promote a sustainable and socially equitable energy future for all in the Philadelphia region.

Services Provided:

- Neighborhood Energy Centers – A one stop for ECA services
- Heater Hotline = Repair or replacement for low income families
- Weatherization Assistance Program (WAP) – covers all of Philadelphia
- Workshops – Energy saving tips and job training opportunities
- Knight Green Jobs Training Center – Environmental Remediation, Retrofit Installer Technician, Commercial HVAC, Solar Installer

NEIGHBORHOOD ENERGY CENTERS

*What's a Neighborhood Energy Center (NEC)?
NEC's are centers throughout the city that are designated to help residents apply for utility assistance and other energy related matters.*

Check www.ECAsavesenergy.org for updates.

Neighborhood Energy Center
